I beam Connecting Rods Dodge SRT-4 Description

Hurricane is proud to offer our proprietary 750 HP Chrysler Dodge SRT-4 I beam 5.945" connecting rods. Hurricane connecting rods are forged from 4340 Chrome Moly steel and CNC machined to our strict tolerances. We design our connecting rods using the latest Solidworks 3D and CAD software. Each set of rods is sold in weight-matched sets within +/-1 grams. This combination of stringent material selection, quality components, and precise tolerances ensures that you are offered one of the highest quality connecting rods on the market.

Note: Hurricane I beam connecting rods dodge srt-4 are ready for honing, every piece of Heavy Duty SRT-4 connecting rods will be honed to use size by Sunnen Honing Machine.
