Mini Cooper S 01-06 R53 Tritec 1.6L X beam Connecting Rods Description

Mini Cooper S 01-06 R53 Tritec 1.6L X beam connecting rods are machined from proprietary forged steel and have been engineered with a light weight, yet ultra-strong design. Reducing engine component weight

improves engine response and reduces the demand placed on other critical engine components.

Those Mini Cooper W10 & W11 Trittech Forged Connecting Rod are shot peened, honed, balance weighted and packaged in set of 4.
